Source, Operational Data, and Comments:

Abdul Hadi ~~MEJDOUB~~ died in a KLM air crash at Frankfurt, Germany, late in March 1952. Source, who was a very good friend of Subject, handled the liquidation of Subject's affairs in Rome and the dispatch of his body for burial in Tunisia. Among Subject's private papers (which contained nothing of interest from the intelligence point of view), the attached item, in arabic, was found and removed by Source who believed it to be of possible interest in view of its naming of the former GIS personality associated with post-war Arab military activity, Colonel RAUFF.
